Beth Custer

Clarinetist Beth Custer is a multi-tasker, leading several ensembles and repurposing her compositions from theater commissions and club outings with her bands. The wildly varied groups include the popular Club Foot Orchestra, which plays original live accompaniment to silent films like *Metropolis*; the Beth Custer Ensemble; a trip-hop duo Eighty Mile Beach; the all-clarinet Clarinet Thing; and the ambient ensemble Trance Mission. She's composed for the Joe Goode Performance Group and Campo Santo theater. bethcuster.com
